Leathers Are Chrome Tanned (Chromic Oxide) and are sold in full skins unless otherwise noted

Skins are priced by the square foot*

*square footage is measured by the tannery on optical scanning equipment.

PNEUMATIC LEATHERS

CPL™ - Hairsheep Skins

(Columbia Pneumatic Leather)

These skins are made from African Hairsheep which are imported and then tanned in the United States to our specifications. They have become the industry standard for use on pipe organ pneumatics.

Skins average 4 to 6 square feet each.

CPL 6" x 12" Strips

CPL XXX-Thin	.005" - .007"	\$19.95 per 6" x 12" Strip
